Summary information

Repository:	Simon Fraser University Archives and Records Management Department
Title:	Gene Waddell SFU architecture collection
ID:	F-262
Date:	[1998] (date of creation)
Physical description:	0.23 m of textual records
Dates of creation, revision and deletion:	

Scope and content

Collection consists of an unpublished manuscript created by Gene Waddell for the Canadian Centre for Architecture. The manuscript exists in two different formats -- as a photocopied, physical copy and as digitized files. The physical copy is an unabridged version that can be accessed in the reading room, and the digitized files are text-searchable, PDF files that are accessible here in SFU AtoM.

Notes

Title notes

- Source of title proper: Title is based on the contents of the collection.

Physical condition

Physical copy of the original manuscript in the Archives' reading room is a photocopy.

Immediate source of acquisition

The manuscript was among other materials originally donated to the SFU Archives by the SFU Library.

Restrictions on access

Open

Conditions governing use

Records include materials that are protected by copyright. Copyright ownership varies. Generally, SFU is the copyright owner of materials authored by SFU employees, but copyright in materials authored by third parties typically remains with the third party. SFU-owned materials - SFU makes its own protected materials available under Creative Commons License CC BY (Attribution). For license details, see <https://creativecommons.org/licenses/by/4.0/>. Any other use of copies requires the permission of SFU Archives.

Third-party owned materials - researchers may request copies or download copies (when available online) for purposes of private study, research, or other use permitted under fair dealing as set out in the Canada Copyright Act. Use of copies for any other purpose may require the copyright owner's permission.

Item-level descriptions may provide more detail. Consult the Reference Archivist for more information relating to determination of copyright ownership, term of protection, and how to contact copyright owners for permissions.

Finding aids

Finding aid prepared by Michelle Curran (May 2015).
