Thursday 5:30-9:20pm in EDB 75450 (mini-gym)

Discussion Topics: Education 459 is designed to cover a wide range of activities (Kindergarten to Grade twelve,) which reflect the physical education curriculum as outlined in the Ministry of Education's Integrated Resource Package. The course will incorporate theoretical and practical aspects in the areas of games, gymnastics and dance. The planning of individual lessons, yearly programs and child growth and development patterns, as they pertain to curriculum implementation, will also be considered. Students will participate in each session at their own level of ability. Cross curricular integration of learning experiences will be an integral part of the course.

ASSIGNMENTS:

- 1) The development of an integrated learning experience based upon the Physical Education curriculum.
- 2) A small group creation of an original minor / lead up game designed to facilitate active participation by all students.
- 3) Class participation.
