

SFU Press Releases Collection

These archival copies have been generated from web press releases maintained and originally written by SFU Communications and Marketing. Where possible, an effort has been made to preserve the public comments left on the website as well as any included photos or other images. All textual content should be faithful to the original press releases; contact numbers have been removed but they have not otherwise been altered in any way. However, this collection of documents spans multiple generations of web authoring software and not all formatting will be exact.

A public vigil is planned tonight for Maple Batalia, the Simon Fraser University student who was gunned down in Surrey early Wednesday.

The vigil is to begin at 7 p.m., by the fountain in Surrey's Holland Park.

The park is on Old Yale Road just south of the Central City complex and the SFU campus. It lies on the south side of Old Yale and is west of King George Boulevard.
