SIMON FRASER UNIVERSITY
ENGAGING THE WORLD

OCTOBER 2013 CONVOCATION

CHANCELLOR'S WELCOME

On behalf of Simon Fraser University, I am honoured to welcome you to Fall Convocation 2013.

The seeds of this exciting day were sown almost five decades ago when 2,500 bright young minds crossed the threshold of this fledgling institution on September 9, 1965. Those first students, and the scholars who mentored them, embraced a commitment to discovery, diversity and dialogue that still distinguishes SFU.

Look around Convocation Mall and you will see the youthful, creative energy that launched SFU still flourishes. We have grown not just in size but also in spirit. Our three campuses now welcome more than 30,000 students each year, and our newest graduates will join an alumni family that numbers more than 125,000 and spans over 130 countries.

Today is the moment to mark a job well done, a time to celebrate the effort and accomplishments of our students. But this is no farewell.

Tomorrow—or at least, one day soon—we will look forward to welcoming these graduates back. Because we know this ceremony is really just a well-appointed way station along the road to lifelong learning and engagement. Travel well.

Carole Taylor
Chancellor

PRESIDENT'S WELCOME

The skirling of the pipes, the procession across the pond, the conferring of degrees: Convocation at Simon Fraser University is a glorious ritual and a most suitable recognition of an academic job well done.

I join with your family and friends—and the other generous souls who supported you throughout your university journey—in applauding this important accomplishment.

You leave here today with a significant credential. SFU is one of Canada's leading universities, recognized at home and abroad for equipping students with the knowledge, skills and experiences to succeed in a challenging and ever-changing world.

“Education,” as poet W.B. Yeats observed, “is not the filling of a pail, but the lighting of a fire.” I see that flame burning brightly in each of your eyes today—a fire that will sustain you in the years to come.

Hearty congratulations to our newest graduates, and thank you all for being part of this happy occasion.

Andrew Petter
President and Vice Chancellor

ALUMNI ASSOCIATION WELCOME

As President of SFU's Alumni Association, I wish to congratulate you on achieving your academic goal and welcome you to our dynamic and diverse community of more than 125,000 alumni in more than 130 countries.

Like any strong community we take pride in your accomplishments. At Convocation, a fellow graduate will award you an SFU alumni pin, a modest symbol of your lifetime membership to your Alumni Association.

As you journey through life, look to your Alumni Association to remain informed and involved in the future of our university and your fellow alumni. To stay updated on all your benefits, opportunities and unique alumni-only events join the Alumni Online Directory and register for alumni email forwarding. Please visit the alumni website for details on the wide range of exclusive benefits and services you're entitled to: www.sfu.ca/alumni.

HISTORY

The University is named after Simon Fraser, Loyalist, fur-trader and explorer, who in 1808 completed one of the greatest journeys in the annals of Canadian history by descending the mighty river which today bears his name.

In January 1963 a report recommended the creation of a new university in the Lower Mainland—two months later the establishment of Simon Fraser University received formal assent in the British Columbia Legislature, and Dr Gordon M. Shrum was appointed the first Chancellor.

From a variety of sites, the Chancellor recommended the top of 1200 foot high Burnaby Mountain, with its magnificent views of Burrard Inlet, the Coast Mountains, the Fraser River, and Vancouver harbour. The Vancouver firm of Erickson/Massey won the design competition, but the four runner-up architects each designed at least one building within the overall plan. Construction began in the spring of 1964 and eighteen months later, on September 9, 1965, Simon Fraser University opened to 2,500 charter students.

Since then the University has grown substantially, with the establishment of the Vancouver campus in 1980, and the establishment of Surrey campus in 2002.

SFU's Vancouver campus offers programs and services directed to mid-career intellectual and professional growth. With several striking downtown buildings, the campus currently serves over 70,000 people annually. In 2010 the School for the Contemporary Arts moved its Burnaby programs to the Vancouver campus, occupying a new facility on the redeveloped Woodward's site.

SFU's Surrey campus promotes student success with a learning environment based on innovative teaching approaches, small class sizes, and a vibrant research community. SFU's newest campus occupies a stunning facility designed by renowned architect Bing Thom, officially opened in September 2006.

SYMBOLS OF SIMON FRASER UNIVERSITY

The original Coat of Arms was granted to the University in 1965 by the Lord Lyon, King of Arms, in Edinburgh. The 1965 arms was registered in Canada in 2007.

In 2007, the Canadian Heraldic Authority granted a modification of the Coat of Arms at the request of the University. The arms are based on the arms of Fraser of Lovat, from whom the University's namesake was descended via the Frasers of Culbokie. The blue quarters with white "fraises" i.e., strawberry flowers (a pun on the name Fraser) are the basic Fraser arms, while the white quarters with red crowns are those of Lovat. There are three books at the top of the shield, representing education. The heraldic description of the arms is;

"Quarterly; first and fourth Azure three fraises Argent; second and third Argent three antique crowns Gules, all within a bordure quarterly Argent and Gules, on a chief Gules three open books proper, bound and edged Or."

The University's motto *Nous sommes prêts*, meaning "We are ready", is a variation of the traditional motto of the Clan Fraser.

The mace was commissioned by University architects Erickson and Massey, and was presented to the University at the opening ceremonies on September 9, 1965. The mace is 61 inches long and weighs 23 pounds. Pieces of cut and polished jade, which were taken from the University's jade boulder in the Academic Quadrangle reflecting pool, were set in silver by its designer, Haida artist Bill Reid. The mace is crowned by a silver stag's head, derived from the coat-of-arms of Lord Lovat, head of the Clan Fraser. The Fraser tradition was to fasten sprigs of yew in their bonnets before entering battle, and the mace was carved from two hundred-year-old yew, gathered on Burnaby Mountain by a resident in the 1940s.

THE ENGAGED UNIVERSITY

SIMON FRASER UNIVERSITY
ENGAGING THE WORLD

Lord Lovat presented the University with a claymore, or great sword, on September 9, 1965. The claymore was first used by a Fraser at the Battle of Culloden Moor in 1746. It was also used by a Fraser at the Battle of the Plains of Abraham in 1759. The claymore is approximately 36 inches long and weighs two pounds.

The University's flag is based on the coat of arms, and was first flown at the Convocation ceremonies in June 1981.

REGALIA

The regalia worn today by our graduates has a colourful history.

Regalia originated in the monasteries of the Middle Ages. At that time, university faculty were men of religion who wore the habit of their Order when teaching. Over time, their garments came to identify their university. In Europe, laymen did not commonly teach in universities until the 19th century. Only by 1858, for example, did British law no longer require university dons to be in holy orders. Nevertheless, professors continued to wear clerical garb, with modifications in cut and design.

Regalia colours often matched those of the university patron, or of the city in which the university was located; Simon Fraser regalia combines the red and royal blue of the Clan Fraser. (The University motto “nous sommes prêts” or “we are ready, ” parallels the Clan’s “je suis prêt.”)

The degree hood was originally part of the monk's habit—a carryall for food or other small items. Eventually, the hood became separate from the gown, variegated in colour, and emblematic of scholars and degrees from particular universities. Hoods in Canada and Europe are unique in design and colour to each degree and each university.

The history of the mortarboard worn by our Bachelors and Masters begins with high church dignitaries in the 16th century. These officials wore hats consisting of little more than a cap with a raised, squared crown. By the 18th century, the crown had evolved into a cloth-covered board, and the wearers into the deans and rectors of universities. The 19th century saw the top knob replaced by a tassel and the cap become required student attire. Reminded of the square board masons used to hold mortar, students dubbed the headgear a “mortarboard”—college slang of the day.

Doctoral hats are patterned after the Florentine hats in the time of the Medici. Students purchased hats of the appropriate university colours when continuing with advanced studies after completing the Bachelor degree.

A PHOTOGRAPHIC RECORD OF YOUR CEREMONY

Photographers from **Artona Studio** will be at your ceremony to take your photograph at your special moment of recognition. Since photographs will be made available to you, family members and guests are encouraged to remain seated and enjoy the ceremony. To order your photos: www.artonagroup.com

PROUDLY DISPLAY YOUR ACHIEVEMENT WITH SFU DEGREE FRAMES

A series of beautifully crafted degree and picture frames, especially designed for Simon Fraser University, will be sold at all the convocation ceremonies. These quality frames are manufactured in Canada with environmentally friendly materials by Significant Impact/Leader Frames in Toronto, a Canadian company with a proud tradition of over 30 years of experience.

Choose from elegant metal or beautifully crafted wood frames, with the exclusive SFU 24 karat gold plated medallion or the stylish gold foil embossing. Your parchment is easily inserted into these quick-change frames, which are further enhanced with a special clear acrylic cover to protect against undue fading. All frames are easy to hang, as no extra hanging hardware is required, and all come with a lifetime guarantee on parts and labour.

If you purchase your frame at your convocation ceremony, you will save on shipping. However, if it is more convenient you can order online at www.degreeframes.com or via the 24-hour order desk at 1.800.884.3199. Proceeds from the sales of these frames will be used to help the SFU Alumni Association and their programs.

CONVOCATION EVACUATION PROCEDURES

In the event that Convocation Mall must be evacuated please:

- 1 Remain calm and follow directions provided by University staff
- 2 Exit at the rear of Convocation Mall, down the stairs to Terry Fox field
- 3 Gather at the Assembly Area and await further instructions.

REFUGE AREA for those with limited mobility is the entrance to the Maggie Benston Centre just off the Mall.
