

SFU Press Releases Collection

These archival copies have been generated from web press releases maintained and originally written by SFU Communications and Marketing. Where possible, an effort has been made to preserve the public comments left on the website as well as any included photos or other images. All textual content should be faithful to the original press releases; contact numbers have been removed but they have not otherwise been altered in any way. However, this collection of documents spans multiple generations of web authoring software and not all formatting will be exact.

MEDIA RELEASE

SFU Burnaby hosts Science Rendezvous

May 10, 2013

MEDIA ADVISORY

Simon Fraser University is participating in [Science Rendezvous](#), a nation-wide event taking place in 40 cities across Canada on May 11. SFU's Burnaby campus will host a free event featuring presentations and hands-on activities, such as The Amazing Science Chase and Great Space Ship Debate, for children of all ages.

"This is the third year in a row we've hosted this event," says organizer Sophie Lavieri, who is also a science professor. "It gives us a wonderful opportunity to share our expertise and facilities with the community."

Other presentations scheduled:

- 11:30 a.m. - Kris Starosta: How do we exploit nuclear processes?
- 12:10 p.m. - Elizabeth Elle: The bee's needs: How YOU can contribute to pollinator conservation
- 2 p.m. - Dugan O'Neil: Hunting (and finding?) the Higgs Boson at large Hadron Collider
- 2:20 p.m. - Fiona Brinkman: Ripples of Change: Using genomics to transform water quality monitoring for human and environmental Health
- 2:40 p.m. - Madhvi Ramnial: The Future of energy

WHAT: Science Rendezvous

DATE: Saturday, May 11, 2013

TIME: 11 a.m. to 4 p.m.

WHERE: Academic Quadrangle (south concourse, 3000 level), SFU Burnaby, 8888 University Dr.

(Free parking in B Lot.)
